## WORK EXPERIENCE

Accenture (2022- Present )

Project 1 :

1. Implemented robust Trust and Safety measures for GPT-1 and GPT-2 to ensure secure and ethical use of AI-generated content.
2. Conducted thorough security assessments of language models to identify and mitigate potential risks and vulnerabilities.
3. Collaborated with cross-functional teams to develop and enforce policies and procedures for maintaining user trust and safety in AI applications.
4. Monitored and analyzed AI-generated content to proactively detect and address any security or safety concerns.
5. Contributed to the development of security protocols and guidelines specific to GPT-1 and GPT-2 to enhance overall application security.

Project 2:

Trust and safety - Application security associate

1. Security Testing: This involves assessing the application for potential security vulnerabilities that could be exploited by malicious actors. This can include testing for common security issues such as cross-site scripting, and insecure authentication mechanisms.
2. Privacy Testing: Privacy testing focuses on ensuring that the application collects and handles user data in a secure and compliant manner. This can involve reviewing the application's data handling practices, consent mechanisms, and data encryption methods.
3. App Testing : Conducted thorough manual testing of mobile applications on various devices and operating systems to identify bugs, defects, and usability issues. Participated in regression testing to verify bug fixes and ensure the overall quality of the application.
4. Tools: Mokka (MuWS , Spyware , Malware , Adfrud, SDK) , Mentor , TD generator , GSC dashboard, Bugs

## PROFESSIONAL SUMMARY

Looking for an exciting and dynamic role where i can utilize my skills and experience to drive tangible results. Passionate about joining an organization that foster a culture of innovation, continues learning and personal growth

---

## SKILLS & PROFICIENCIES

- Testing management
- Communication and collaboration
- Team collaboration
- Test reporting
- Analytical skills
- problem solving
- Critical thinking

## EDUCATIONAL BACKGROUND

PUC - 2015 - 2017

JSS Banashankari Art,Commerce college

Degree (BCA) 2017 - 2020

Bharath education society
